

The Airl radio station gives me the world news I want to know about without the junk that others can add. It is a very informative Christian station that informs me of possible activities that I would like to attend. It is the only Christian station that my family can pick up in our community. It is a clean station with NO vulgar language, adult content or negativism. It is truly a positive alternative station to all the other secular stations out there. It inspires and uplifts my own teens and the teens that I work with. It would be devastating to these teens not to have the encouragement that they receive from this station IF they were to be displaced by an LPFM station. Airl has helped talk teens out of suicide! I hope you will carefully consider keeping Airl available to the teens of my area of Vermont and Northern New York. Thank you, Debbie Mann
